ABOUT CHILDREN'S CLINICS

OUR MISSION

Children's Clinics provides a family-centered, comprehensive medical home to meet the special needs of children and families. We are committed to providing **exceptional care** in a respectful and caring environment.

CHILDHOOD EXPERIENCES

We believe a child's wellbeing depends on **so much more** than a doctor's visit.

While insurance covers all of our clinical services, we rely on generous donations from our community to provide meaningful childhood experiences for our children.

Our families celebrate springtime with a featured showcased of our Adaptive Recreation programming.
