GIVING BACK FEELS GOOD

About Us

Children's Clinics is a 501(c)(3) nonprofit, outpatient care center that has served children with special healthcare needs and their families in southern Arizona for over 30 years.

Children's Clinics offers 25 different medical and dental specialties on a single campus, wraparound social services, and special programs for children with medical complexities such as cerebral palsy, spina bifida, muscular dystrophy, sickle cell, and many others.

The mission of Children's Clinics is to provide a family-centered, comprehensive medical home to meet the special needs of children and families.

We know a child's health is more than a doctor's visit. At Children's Clinics, we want children to develop as whole people, to grow up as individuals who are empowered to give their unique gifts to the world, and whose lives are not entirely governed by their illness. It is why we have created the Childhood Experiences allowing children with chronic pediatric illnesses to experience more of a childhood.

Our Signature Events are a source of joy to children and caregivers. Not only do they supply resources, but the inclusive and adaptive environment allows children and caregivers camaraderie, community, and the profound reassurance that they and their child belong. This intentional approach reflects our deepest conviction: that every young life, regardless of diagnosis, holds extraordinary potential waiting to unfold.

Back-to-School Event

Friday, July 11 from 2 - 5 PM

This initiative supports families during one of the most financial challenging times of the year - Back-To-School season. By providing students with essential supplies, YOU can empower them to excel academically, paving the way for a brighter future—for the children and the entire community.

Education is a powerful tool in breaking the cycle of poverty. When students have the resources they need to succeed, their potential grows. Your support ensures children start the school year prepared, confident, and ready to thrive.

Join us in making the difference in the life of the child. Find a sponsorship opportunity that works for YOU!

Inclusive Halloween Event

Wednesday, October 29 from 2-5 PM

This is the day our whole clinic team looks forward to—because everyone gets to join the fun! We close early for spooky celebrations, starting with our highly competitive staff costume contest (trust us, the rivalry is real!). Then, we reopen for an inclusive Trick-or-Treating experience with our amazing patients and their families.

The Halloween magic includes:

- A photo booth to capture silly, sweet, and spooky memories
- Adaptive switches at every station so non-speaking children can participate

- Candy and non-food treats at clinic treat stations

- An adaptive Haunted House with customizable scare levels—so every child can enjoy the thrill at their comfort level.

- And much more!

Last year, we welcomed 300+ little ghosts, superheroes, and princesses, and we can't wait to make this year even better.

Halloween Event

Holiday Toy Market

Friday, December 5, 10 AM - 5 PM

Holiday Toy Market Day is one of our most cherished clinic events—and over the years, we've carefully shaped it to meet the unique needs of our incredible families. Held right here in our clinic, it offers a comfortable, familiar setting complete with:

- An adult changing station
- A G-tube feeding-friendly café
- A sensory-sensitive Santa who understands our kids' needs

Every gift is thoughtfully chosen, featuring sensory-friendly, switch-adaptive, and inclusive toys. And because we know holidays are about the whole family, every sibling receives a present too—often, these are the only gifts they'll get this season.

This is more than a toy drive; it's a day of joy, dignity, and celebration for the families who mean the world to us.
