Children's
Clinics

About Us

For 35 years, **Children's Clinics** has been a place of hope for children with special healthcare needs and the families who love them. As a 501(c)(3) nonprofit outpatient specialty center serving Southern Arizona, we bring together 25 medical and dental specialties on one campus, along with wraparound social services and programs designed specifically for children living with complex conditions such as cerebral palsy, spina bifida, muscular dystrophy, sickle cell disease, and many others.

Our mission is simple, but deeply meaningful: to provide a family-centered medical home where children and their families receive the comprehensive care, support, and compassion they deserve.

At **Children's Clinics**, we know a child's health journey is about so much more than doctor's visits. It's about childhood itself—laughter, friendship, milestones, and the freedom to grow into the person each child is meant to be. We believe that a diagnosis should never define a child's future.

That belief inspired our **Childhood Experiences Program**, which creates opportunities for children living with chronic medical conditions to experience the simple joys that make childhood magical, from adaptive sports and celebrations to community events designed just for them.

Our **Signature Events** are more than gatherings, they are moments of connection and belonging. For children and caregivers alike, these events create lasting memories while fostering community, support, and understanding. In these spaces, families are reminded that they are not alone.

Everything we do is rooted in a simple conviction: every child, regardless of diagnosis, carries extraordinary potential. With the right care, encouragement, and community, that potential can shine.

Our Community Impact

Children's Clinics provides specialized care for children with complex medical needs across Southern Arizona.

Each year:

- 5,000+ pediatric patients served across Southern Arizona
- 25 medical and dental specialties offered on one coordinated campus
- Comprehensive wraparound services supporting children with conditions such as cerebral palsy, spina bifida, muscular dystrophy, sickle cell disease, and more
- Over 43,000 total patient visits every year with an 83% patient satisfaction
- 126 staff and 80 specialty providers collaborating to care for children with complex medical needs

Creating Childhood Experiences

Beyond medical care, **Children's Clinics** creates inclusive events that allow children with complex medical needs to experience the joys of childhood in a safe and adaptive environment.

Signature Event Reach

- 1,000+ children attend Holiday Toy Market Day, our largest annual celebration
- 650+ backpacks distributed during our Back-to-School Fair
- 400+ children and siblings participate in Inclusive Halloween

Every event is intentionally designed to be adaptive, sensory-considerate, and accessible, ensuring every child can participate fully.

Back-to-School Fair

Friday, July 10, 2026 from 2 PM to 5 PM

Back-to-School season can be one of the most financially stressful times of the year for families. Through this initiative, you can help students start the year prepared, with the essential supplies they need to learn, participate, and succeed.

When children walk into the classroom confident and equipped, their focus shifts from what they lack to what they can achieve. Your support not only helps a student today, it strengthens families and builds a healthier, more stable community tomorrow.

Education is one of the most powerful tools for breaking cycles of hardship. By investing in students now, you're investing in their confidence, their potential, and their future.

Be part of the difference in a child's life. Explore the sponsorship level that's right for you.

Inclusive Halloween

Friday, October 30, 2026 from 2 PM to 5 PM

Each year, we close the clinic for the afternoon so our entire team can transform the space into a fully inclusive Halloween celebration for the children and families we serve.

Our goal is simple: create a safe, sensory-considerate Trick-or-Treat experience where every child can participate, regardless of ability.

The Halloween magic includes:

-  A festive photo booth to capture joyful memories
-  Adaptive switches at treat stations so non-speaking children can activate their own treats
-  Candy and non-food options for all sensory and dietary needs
-  An adaptive Haunted House with adjustable scare levels for every comfort zone
-  And many more thoughtfully designed activities

Last year, more than 400 children – ghosts, superheroes, and princesses alike – experienced a celebration built just for them. ***With your support, we can make this year even more magical.***

The background is decorated with yellow stars and a small brown leaf.

Holiday Toy Market

Friday, December 4, 2026 from 10 AM to 5 PM

Holiday Toy Market Day is one of Children's Clinics' signature annual events, serving children with complex medical needs and their families across Southern Arizona. Designed with accessibility and inclusion at its core, the event ensures that every child, regardless of mobility, sensory, or developmental challenges, can fully experience the joy of the holiday season.

Hosted onsite in our clinic, the event takes place in a safe, familiar, and fully accessible environment, including an adult-sized changing station, a G-tube feeding-friendly café space, and a sensory-sensitive Santa trained to engage comfortably with children who may have communication or sensory differences.

Each gift is intentionally selected to be adaptive and inclusive, featuring sensory-friendly and switch-accessible toys. Siblings also receive thoughtfully chosen gifts, often the only holiday presents some families will be able to provide due to ongoing medical expenses.

For corporate partners, **Holiday Toy Market Day** offers a meaningful opportunity to support inclusion, accessibility, and family-centered care while creating a highly visible and joyful community impact.
